

Greetings and Welcome

I am Pete Robertson, CEO of Mission Travel Faith Tours. We are so blessed that you would consider us as your [Holy Land](#), [Christian Heritage](#) or [Reformation Tour](#) company. We understand the importance of traveling to the places that helps us to know more about what we believe. Our goal is to always help each traveler see things on their tour that helps awaken inside of them a greater passion for God's word. We go to these locations because of the love we have for our Savior and desire to learn more about him. Our [Holy Land Tours](#) are designed to bring to life Jesus' Journey here on earth. Our [Christian Heritage Tours](#) help us see how the early church lived out their faith and the importance of us continuing on in their legacy. Our [Reformation Tours](#) are designed to help us understand the importance of how we have become a part of the protestant movement. Each tour allows each traveler to experience the beauty that each of our locations has to offer. To be on location where everything happened, opens our eyes and hearts to help us know Jesus better and understand contextually the word of God.

Check out our most popular tour itineraries online at mttfaith.com and let us know which tour you like best. We can also tailor make a tour according to what you want to do and see based upon your church. Maybe you like a certain parts of different tours, no worries; we will customize it to your liking. We will answer all of your questions and offer suggestions based upon what you're looking for. Next choose how many people might be going, provide an approximate date for your tour and let us know how many days you want to travel. Some travelers may desire to do extension tours which we can prepare for you as well. After all that is done, we will get you your itinerary and a price that you can share with your Church. We will also put together a custom brochure with all of your information on it so that you can offer it to your congregation.

Now that you have your brochure, it's time to invite your congregation or ministry to join you!

What's Next?

You need to **Promote Your Tour**, make the announcement to your congregation that you will be having an informational meeting to answer questions. At this time you can take an "Interest" list and follow up with an PDF brochure or you can provide the brochure and registration forms during the meeting itself. If you prefer not to collect the forms and deposit yourself, your tour participants can make their payments directly to us by logging onto your customized tour page on our website. We will add your church link on the brochure to help avoid any confusion. Our Travel Specialist can assist them directly if they want to talk with us, you let us know how you want to set things up.

Day of Departure:

Getting to the Airport, Your group can avoid delays by traveling together to the airport. Some group leaders opt to charter a bus to drive them to and from the airport especially when distance is a concern.

Check-in & Security:

Keep your tickets and passport on you, not in your luggage. Do not accept anything presented to you unless you have inspected the contents. Do not say or do anything during security checks that may cause delay in departure.

Covid Test:

You may be asked to get a Covid test before traveling, as well as possibly getting one before returning home to the USA. We will take care of any Covid test requirements for returning home by scheduling a time while touring for your congregation to take part in and have plenty of time before you leave.
